(1) **STATED AMOUNT CO-INSURANCE**

If this clause is specified on the "Declaration Page" it is substituted for the Co-Insurance Clause cited in this Form, and is subject to all conditions of this form.

"We" agree to pay any loss under "Property of every description" as stated on the "Declaration Page" without application of any co-insurance requirement, providing the following conditions are met:

- (a) "you" must attest to and file a "Statement of Values" with "Us" every year within 60 days of the effective date of each policy period;
- (b) the values declared in "your" "Statement of Values" will be established using appraisal and calculation methods acceptable to "Us"
- (c) "you" must maintain an amount of insurance on "property of every description" (as stated on the "Declaration Page") which is not less than 100% of the total values as declared in "your" "Statement of Values";
- (d) "you" will advise "Us" within thirty (30) days of any work performed on "your" "buildings" or any change to other "insured property" which would result in an increase in the "Statement of Values" or the sum insured by an amount equal to or greater than \$50,000; and

If "you" do not comply with these conditions, any loss under this Policy is subject to the following co-insurance clause.

(2) **CO-INSURANCE CLAUSE**

This clause applies separately to items for which a co-insurance percentage is specified on the "Declaration Page" in any one "occurrence" and only where the total loss exceeds the lesser of 5 percent (5%) of the applicable amount of insurance or \$10,000.

"You" shall maintain insurance concurrent with this Form on the property insured to the extent of at least the amount produced by multiplying the "replacement cost" value of the property by the co-insurance percentage specified on the "Declaration Page" and failing to do so, shall only be entitled to recover that portion of any loss that the amount of insurance in force at the time of the loss bears to the amount of insurance required to be maintained by this clause.

(3) **LIMIT OF LIABILITY**

"We" will pay for the insured loss or damage up to "Your" financial interest in all property included in the "Property of every Description" however this payment will not exceed the amount of insurance applicable to the damaged building(s) as either itemized in the schedule or thus designated on the "Declaration Page" for any insured loss arising out of any one "occurrence".

"We" will pay whichever is the least of the following"

- (a) the actual cash value of the property at the time of loss;
- (b) what it would cost to repair or replace the property with materials of similar quality at the time of loss;
- (c) the amount shown on the "Declaration Page".

(4) **OBSOLETE AND OUTMODED CONSTRUCTION SETTLEMENT CLAUSE**

It is agreed in the event of loss or damage to "farm outbuildings and structures" covered by this Policy, that wherever the Policy refers to "Replacement Cost", "replacement" will be on the basis of standard building materials, craftsmanship and methods of construction currently available and accepted as standard in the agricultural industry.

Further, "our" limit of liability for a "farm outbuilding and Structures" of such unique construction or design that it cannot be easily replicated, or the materials or craftsmanship used in its construction are of such a type or quality as to be obsolete by current standards of construction or not easily available at reasonable cost, shall not exceed the value of construction so calculated, by "Us", unless "you" have provided "Us" with a proper cost estimate, acceptable to "Us", prior to a loss, and carried insurance equal to 100 percent of that value so indicated and full "Replacement Cost", for such "farm outbuilding", is stated on the "Declaration Page."

(5) **"REPLACEMENT COST" CLAUSE**

In the event of loss or damage to the property described in the Policy Declarations, "We" agree to make settlement on the basis of the cost of repairs to, or the "replacement cost" of the property (whichever is lesser), with property of like kind and quality without deduction for depreciation, subject to the Policy Exclusions and the following provisions:

- (a) the repairs, "replacement" or reinstatement must be executed promptly;

- (d) this coverage shall not apply to antiques, fine arts, paintings, rare books, manuscripts, photographs, negatives, souvenirs, and other similar articles whose age, history or rarity contribute significantly to their value. This coverage also does not apply to property that at the time of loss has become obsolete or unusable for its originally intended purpose.
- (e) In respect to "farm equipment" up to and including five years of age, "We" will pay without deduction for depreciation, the lesser of:
 - (i) the cost of repairs; or
 - (ii) the cost of new equipment of similar kind, quality and usefulness.

However, "We" will not pay more than the "Actual Cash Value" of the loss or damage:

- (1) if the property is not repaired or replaced;
- (2) if repair or "replacement" is not made as soon as reasonably possible;
- (3) for property no longer in use for its original intended purpose;

 - (i) the amount of actual expenditure for repair or "replacement"; or
 - (ii) the amount of insurance applicable to the property.

If for any reason this endorsement does not apply to loss or damage, claim payment will be on the basis of Actual Cash Value.

(6) **Increase due to Currency Fluctuation**

In the event of a shortfall due to currency fluctuation, we will automatically increase the amount of insurance on your farm machinery and equipment, as shown on the current inventory dated and filed with us for the policy term. The increase shall be solely attributable to mid-term fluctuation of the U.S. exchange rate at the time of loss and will not take into consideration any other factors. This clause will attach to the policy when the U.S. exchange rate trades 10% or higher than the Canadian dollar within the policy term. This clause will not increase the overall limit of insurance as shown on the declaration page for all farm machinery and equipment

(7) **ACTUAL CASH VALUE**

Payment of claims based on Actual Cash Value will take into account such things as the cost of "replacement" less any depreciation. In developing depreciation "We" will consider the condition immediately before the damage, use of the property, the resale value, upkeep and maintenance of the property, and the "normal" life expectancy.

(8) **IMPENDING PERIL**

In the event that the "farm outbuildings and structures" housing the "farm livestock", are threatened by a peril that would be covered by this policy, and there is a likelihood of loss or injury to the "farm livestock" insured by this policy from that impending peril, then the Insurer agrees to pay all reasonable expense, incurred by the Insured, to move the "farm livestock" away from the impending peril, to a safe location, including additional expense for temporary accommodation.

(9) **DEDUCTIBLE**

"We" are responsible only for the amount by which the loss or damage caused by any of the insured perils exceeds the amount of the deductible shown on the "Declaration Page" in any one "occurrence", but this deductible shall not apply to losses which exceed the greater of \$25,000 or five (5) times the deductible amount whichever is greater. Should one "occurrence" give rise to the application of more than one deductible, only the largest individual deductible amount shall apply.

(10) **LIMITATION OF LOSS:**

By accepting this policy, the Insured understands and agrees that the Insurer shall pay no more than the Limit of Insurance, specified in the Policy Declarations, for any one loss or event giving rise to a claim for any one premise location covered by this policy.

Where this policy covers two or more premise locations, then in no event shall the Insurer pay more than the aggregate limitation of loss specified in the Policy Declarations for any one loss, event, "occurrence", casualty or disaster.

(11) **REBUILDING CLAUSE – (applicable to "farm outbuildings and structures")**

In the event of "farm outbuildings and structures" insured under this Policy being damaged or destroyed, it is expressly agreed between "you" and "Us" that upon receipt of Proof(s) of Loss, "We" will make an initial payment of 50 percent only of the loss payable on the "farm outbuilding(s) and structures" subject to the following:

- (a) If "you" notify "Us" of "your" intention to repair, rebuild or replace the damaged "farm outbuilding(s) and structures" on one of the "premises" listed on the "Declaration Page" with a "farm outbuilding(s) and structures" of like use, and furnish proof satisfactory to "Us" within twelve (12) months of the date of loss that "you" have spent an amount not less than the total amount of all insurance payable, including amounts deferred or conditionally payable as well as amounts already paid, "We" will pay the balance of "your" insured loss within thirty (30) days;
- (b) If "you" notify "Us" of "your" intention to repair, rebuild or replace the damaged "farm outbuilding(s) and structures", but not at a "premises" listed on the "Declaration Page", with a "farm outbuilding(s) and structures" of like use, and furnish proof satisfactory to "Us" within twelve (12) months of the date of loss, that "you" have spent an amount not less than the total amount of all insurance payable, including amounts deferred or conditionally payable as well as amounts already paid, "We" will pay the balance up to 75 percent of "your" insured loss within thirty (30) days;
- (c) If, due to any ordinance or law regulating construction or repair, "you" are prohibited from repairing, rebuilding or replacing the damaged "farm outbuilding(s) and structure" on a "premises" listed on the "Declaration Page", and "you" notify "Us" of "your" intention to rebuild or replace the destroyed "farm outbuilding(s) and structures" with a "farm outbuilding(s) and structures" of like use on land owned by "you" on other than those "premises" listed on the "Declaration Page" and furnish proof satisfactory to "Us" within twelve (12) months of the date of loss that "you" have spent an amount not less than the total amount of all insurance payable, including amounts deferred or conditionally payable as well as amounts already paid in respect thereof, "We" will pay the balance of "your" insured loss within thirty (30) days; and
- (d) Failing compliance by "you" with the provisions of Clauses (a), (b), or (c), the initial payment shall be the only payment under this policy in respect to the loss.

Rebuilding of any "farm outbuildings and structures" is within the Province of Ontario only.

(12) **REQUIREMENTS AFTER LOSS – "FARM LIVESTOCK"**

In the event of loss to "farm livestock" alleged to have been killed or destroyed by one of the perils insured, "you" shall immediately provide for adequate attendance by a qualified Veterinary Surgeon who shall furnish a report verifying cause of death or necessary destruction. Necessary and reasonable expenses incurred by "you" to furnish a veterinary report shall be taken into consideration in the adjustment of any loss.

Within 60 days after the loss, "you" must submit to "Us", under oath if required, a LIVESTOCK PROOF OF LOSS FORM containing the following information:

- (a) the amount, place, time and cause of loss;
 - (b) the interest of all persons in the "Farm Livestock" affected;
 - (c) the fair market value of all "Your" "Farm Livestock" at the time of loss.
- If necessary, "You" must help "Us" verify the damage.

(13) **LIVESTOCK MARKET FLUCTUATION PROTECTION**

We will automatically increase the amount of insurance to a maximum limit of 20% on your livestock, provided you are insured to 100% of the fair market value as indicated, on a statement of value filed with us, for the current policy term. This increase shall be solely attributable to the fluctuation in current market value for the livestock at the time of loss and shall not take into consideration any other factors such as change in livestock numbers.

If this Form covers more than one class of Livestock, this clause applies to each class separately. This clause does not apply to scheduled Livestock insured for an amount greater than \$5,000.

ADDITIONAL CONDITIONS

ASSIGNMENT

Assignment of interest under this Policy shall not bind the Insurer until its consent is endorsed hereon; if, however, the Named Insured shall die or be adjudged bankrupt or insolvent, within the policy period, this Policy, unless cancelled, shall, if written notice be given to the Insurer within sixty days after the date of such death or adjudication, cover the Named Insured's legal representative as the Named Insured.

ABANDONMENT

There can be no abandonment to "Us" of any property.

AUTHORIZATION

By acceptance of this Policy, the first Named Insured on the "Declaration Page" agrees to act on behalf of all other Insureds, if any, named or described on the "Declaration Page" or included under Section II of this Form, with respect to all duties and obligations imposed on any Insured under this Form, including, without limitation, the completion of the Application for this Policy, the giving and receiving of notice of a "pollution incident", claim or "action", the giving or receiving of notice of cancellation, the payment of premiums and the receiving of any return premiums that may become due under this Policy, and all other Insured's agree that the first Named Insured on the "Declaration Page" is authorized to so act on their behalf.

AUTOMOTIVE FUELS

Any fuels used for automotive purposes must be stored in accordance with government regulations.

BANKRUPTCY

Bankruptcy or insolvency of the Insured or of the Insured's estate will not relieve "Us" of "Our" obligations under this Form.

BASIS OF SETTLEMENT

Unless otherwise provided, the Insurer is not liable beyond the actual cash value of the property at the time any loss or damage occurs; and the loss or damage shall be ascertained or estimated according to such actual cash value with proper deduction for depreciation, however caused, and shall in no event exceed what it would then cost to repair or replace the same with material of like kind and quality.

BREACH OF CONTRACT

If "You" do not comply with a condition of this insurance, any claim for subsequent loss or damage is not recoverable. "We" will not deny a claim for this reason if "you" prove that the non-compliance neither caused nor worsened the loss or damage. Coverage will not be affected if "you" fail to comply with a condition in part of the "premises" over which "you" have not control.

CHANGES

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this Policy or stop the Insurer from asserting any right under the terms of this Policy; nor shall the terms of this Policy be waived or changed, except by endorsement issued to form a part of this Policy.

CLAIMS AGAINST THIRD PARTIES

In the event of any loss of or damage to the property covered under the terms of this Policy, "you" must immediately make a claim in writing against the carrier(s), bailee(s) or others involved.

DECLARATIONS

By acceptance of this Policy, the Named Insured agrees that the statements in the declarations are his agreements and representations, that this Policy is issued in reliance upon the truth of such representations, and that this Policy embodies all agreements existing between himself and the Insurer or any of its agents relating to this insurance.

DUTIES IN THE EVENT OF "POLLUTION INCIDENT", CLAIM OR "ACTION"

- (a) "You" must see to it that "We" are notified immediately of a "pollution incident". Notice should include:
- (i) how, when, where the "pollution incident" took place;
 - (ii) the names and addresses of any injured persons and of witnesses;
 - (iii) the nature and location of any "Property Damage" arising out of the "pollution incident".
- Notice of a "pollution incident" is not notice of a claim.
- (b) If a claim is made or "action" is brought against any Insured, "You" must see to it that "We" receive immediate written notice of the claim or "action".
- (c) "You" and any other involved Insured must:
- (i) immediately send "Us" copies of any demand, notices, summonses or legal papers received in connection with the claim or "action";
 - (ii) authorize "Us" to obtain records and other information;
 - (iii) cooperate with "Us" in the investigation, settlement or defense of the claim or "action"; and
 - (iv) assist "Us", upon "Our" request, in the enforcement of any right against any person or organization which may be liable to the "Insured" because of injury or damage to which this insurance may also apply.
- (d) No Insured will, except at its own cost, voluntarily make a payment, assume any obligation, or incur any expense, without "Our" consent other than expenses for immediate "Clean-up Costs" which are required by any applicable statute or regulation related to the protection of the environment and promulgated by any governmental body.

EXAMINATION OF BOOKS AND RECORDS

"We" may examine and audit any Insured's books and records as they relate to this Policy.

EXAMINATION UNDER OATH

After a loss which may be insured under this Policy, "you" shall, as often as "We" reasonably require at such reasonable place and time as is designated by "Us" or "our" representative:

- (a) submit to examinations under oath and subscribe the same; and
- (b) produce employees, members of "your" household or others for examinations under oath to the extent it is within "your" power to do so; and
- (c) produce for examination, all documents in "your" possession or control that relate to the matters in question, and permit extracts and copies thereof to be made.

IMPAIRMENT OF RECOVERY RIGHTS

Any act or agreement by "you" before or after a loss or damage whereby any of "your" rights to recover in whole or in part for loss or damage to property covered under the terms of this agreement against any carrier, bailee or other party liable therefore, is leased, impaired or lost, will render this insurance null and void, but "your" right to retain or recover the premium will not be affected. "We" are not liable for any loss or damage which, without "our" written consent, has been settled or compromised by "you".

INSPECTIONS AND SURVEYS

"We" have the right but are not obligated to:

- (a) make inspections and surveys at any time;
- (b) give "You" reports on the conditions "We" find; and
- (c) recommend any changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. "We" do not make safety inspections. "We" do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. And "We" do not warrant that conditions:

- (i) are safe or healthful; or
- (ii) comply with statutes, regulations, ordinances, directives, orders, codes or standards.

This condition applies not only to "Us", but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations.

The Insurer waives no right and undertakes no responsibility by reason of any such inspection, survey, report or recommendation or the omission thereof.

INSPECTION - AUDIT

The Named Insured shall permit the Insurer to inspect the insured "premises", operations and elevators and to examine and audit the Named Insured's books and records at any time during the policy period (and any extension thereof, and within one year after the termination of this Policy), as far as they relate to the premium basis or the subject matter of this insurance. The Insurer assumes no responsibility and waives all rights by reason of such inspection, examination audit or the omission thereof.

LEGAL ACTION AGAINST "US"

No person or organization has a right under this Policy:

- (a) To join "Us" as a party or otherwise bring "Us" into an "action" asking for compensatory damages from an Insured; or
- (b) To sue "Us" on this Policy unless all of its terms have been fully complied with.

A person or organization may sue "Us" to recover on an agreed settlement or on a final judgment against an Insured obtained after an actual trial, but "We" will not be liable for compensatory damages that are not payable under the terms of this Policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by "Us", the Insured and the claimant or the claimant's legal representative. Every "action" or proceeding against "Us" shall be commenced within one year next after the date of such judgment or agreed settlement and not afterwards.

LIBERALIZATION CLAUSE

During the term of this Policy, if "We" adopt and publish for use any forms, endorsements or rules by which would extend or broaden the insurance provided by this Policy, without additional premium charge, either by endorsement or substitution, then such extended or broadened insurance will apply to loss occurring after the effective date of such adoption and publication as though such endorsement or substitution of form had been made.

MATERIAL CHANGE IN THE RISK

If any change shall occur materially varying any of the statements made in the Application or during any inspection or survey, or if the Insured shall receive information indicating a material increase in the risks to which this Policy relates, the Insured shall, within 30 days of such change of information becoming known, give "Us" notice of such change in writing.

NON WAIVER

This Policy is subject to the terms and conditions set forth in it together with such other terms and conditions as may be endorsed or added to it. No terms or conditions of this Policy will be deemed to be waived in whole or in part by "Us" unless the waiver is clearly expressed in writing signed by a person authorized for that purpose by "Us".

NO BENEFIT TO BAILEE

This insurance does not apply directly or indirectly to the benefit of any carrier or other bailee.

NOTICE TO AUTHORITIES

Where the loss is, or is suspected to be, due to malicious acts, burglary, robbery, theft or attempted theft, "you" must give immediate notice to the police or other law enforcement agency having jurisdiction.

OTHER INSURANCE

The insurance afforded by this Policy is primary insurance, except when stated to apply in excess of, or contingent upon, the absence of other insurance. When this insurance is primary and the Insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Insurer's liability under this Policy shall not be reduced by the existence of such other insurance. When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the Insurer shall not be liable under this Policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

- (a) Contribution by Equal Shares:
If all of such other valid and collectable insurance provides for contribution by equal share, this Insurer shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one Policy or the full amount of the loss is paid, and with respect to any amount of loss not

paid the remaining insurers then continue to contribute equal shares of the remaining amount of loss until each insurer has paid its limit in full or the full amounts of the loss is paid.

(b) Contribution by Limits:

If any such other insurance does not provide for contribution by equal shares, then this Insurer shall not be liable for a greater proportion of such loss than the applicable limit of liability, under this Policy for such loss, bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

PAIR AND SET

In the case of loss of or damage to any article or articles, whether scheduled or unscheduled, which are a part of a set, "We" will pay only a reasonable and fair proportion of the total value of the set, and such loss or damage will not be understood to mean total loss of set.

PARTS

In the case of loss of or damage to any part of the "insured property" whether scheduled or unscheduled, consisting, when complete for use, of several parts, "We" will not pay for more than the insured value of the part lost or damaged, including the cost of installation.

PERMISSION

Permission is hereby granted:

- (a) to make ordinary alterations and repairs without limit of time (but without extending the term of the Policy) but extraordinary alterations, additions or repairs are prohibited without "Our" consent in writing.
- (b) to keep on hand and use such articles, materials and supplies as may be usual to "Your" farming operation, but not exceeding sixty litres in all of gasoline, benzene or naphtha in any one building at any one time in addition to such quantities as may be in approved storage tanks or the tanks of motor vehicles.
- (c) for motor vehicles to enter the buildings for the purpose of loading and unloading and to keep motor vehicles in any building on the "premises".

PREMIUM AND ADJUSTMENT OF PREMIUMS

Unless otherwise stated, the premium stated in the declarations is an estimated deposit premium only. Adjustment of premiums shall be made at least annually and for this purpose the premium bases and rates shown in the declarations, or in any endorsement attached hereto, shall be used in ascertaining the earned premium with respect to the specific hazards mentioned herein.

- (a) In the case of any hazards existing and covered under coverage rider(s) attached but not specific in the declarations, or in any endorsement, the earned premium with respect thereto shall be computed in accordance with the Insurer's rules, rates, rating plans and minimum premiums applicable to such hazards.
- (b) Subject to the retention by the Insurer of the minimum premium provided for in the declarations, if the earned premium for this Policy, thus computed, exceeds the estimated deposit premium paid, the Named Insured shall pay such excess to the Insurer. On the other hand, if the estimated deposit premium exceeds the earned premium, the Insurer shall return to the Named Insured such excess.
- (c) The Named Insured shall maintain for each hazard, hereby insured against, a record of the information necessary for the premium computation on the basis stated, and shall submit such record to the Insurer at the end of the policy period and at such other times during the policy period as the Insurer may direct.

PREMIUM AUDIT

- (a) "We" will compute all premiums for this Form in accordance with "Our" rules and rates.
- (b) Premium shown in this Policy as advance premium is a deposit premium only. At the close of each audit period "We" will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, "We" will return the excess to the first Named Insured subject to the retention of the minimum premium shown on the "Declaration Page".
- (c) The first Named Insured must keep records of the information "We" need for premium computation, and send "Us" copies at such times as "We" may request.

REINSTATEMENT

Any loss under the terms of this policy will not reduce the amount of insurance.

REQUIREMENTS AFTER LOSS

Within 60 days after the loss, "You" must submit to "Us", under oath if required, a "LIVESTOCK" PROOF OF LOSS FORM containing the following information:

- (a) the amount, place, time and cause of loss;
- (b) the interest of all persons in the "livestock" affected;
- (c) the fair market value of all "Your" "livestock" at the time of loss. If necessary, "You" must help "Us" verify the damage.

SUBROGATION

The Insurer, upon making any payment or assuming liability therefore under this Policy, shall be subrogated to all rights of recovery of the Insured against any person, and may bring action in the name of the Insured to enforce such rights. Where the net amount recovered, after deducting the costs of recovery, is not sufficient to provide a complete indemnity for the loss or damage suffered, that amount shall be divided between the Insurer and the Insured in the proportion in which the loss or damage has been borne by them respectively.

SUE AND LABOUR

It is the duty of the Insured, in the event that any property insured hereunder is lost, to take all reasonable steps in and about the recovery of such property. The Insurer shall contribute pro rata towards any reasonable and proper expenses in connection with the foregoing according to the respective interest of the parties.

TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO “US”

“Your” rights to recover any part of “your” loss, for which “We” have made or agreed to make payment under this Policy, are transferred to “Us”. “You” must not impair those rights and must help “Us” enforce them. When the net amount recovered after deducting the costs of recovery is not enough to provide a complete indemnity for the loss or damage suffered, that amount will be divided between “you” and “Us” in the proportion in which the loss or damage has been borne by “you” and “us”.

VERIFICATION

“We” or “our” duly appointed representative shall be permitted at all reasonable times during the term of this Policy, or within a year after termination or expiration, to inspect the property insured and to examine the “your” books, records and such policies as relate to any property insured hereunder. Such inspection or examination shall not waive nor in any manner affect any of the terms or conditions of this Policy.

“YOUR” DUTY AFTER LOSS

It is “your” duty in the event that any property insured by this Policy is lost to take all reasonable steps to recover such property. “We” will contribute pro rata towards any reasonable and proper expenses in connection with such efforts according to the respective interests of the parties.

Special Liability Condition

LIMITS OF LIABILITY – TWO OR MORE POLICIES OR RIDERS

The following Condition applies to all Liability Forms and Endorsements attached to this Policy.

In the event that injury, loss or damage occurs, which is covered by this Policy and also by any other Policy, Rider or Endorsement of liability issued by Heartland Farm Mutual Inc. to “you”, the maximum limit of liability that will be paid by “Us” under all such Policies, Riders or Endorsements combined for such injury, loss or damage is the highest applicable limit of liability of any one of such policies.

Statutory Conditions 1,3,4,5 and 15 only apply to Forms specifically covering LIABILITY FOR BODILY INJURY OR PROPERTY DAMAGE, MEDICAL PAYMENTS and RESIDENCE VOLUNTARY COMPENSATION.

STATUTORY CONDITIONS

MISREPRESENTATION - 1

If a person applying for insurance falsely describes the property to the prejudice of the Insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the Insurer in order to enable it to judge of the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

PROPERTY OF OTHERS - 2

Unless otherwise specifically stated in the contract, the Insurer is not liable for loss or damage to property owned by any person other than the Insured, unless the interest of the Insured therein is stated.

CHANGE OF INTEREST - 3

The Insurer is liable for loss or damage occurring after an authorized assignment under the Bankruptcy Act or change of title by succession, by operation of law, or by death.

MATERIAL CHANGE - 4

Any change material to the risk and within the control and knowledge of the Insured avoids the contract as to the part affected thereby, unless the change is promptly notified in writing to the Insurer or its local agent, and the Insurer, when so notified, may return the unearned portion, if any, of the premium paid and cancel the contract, or may notify the Insured in writing that, if he desires the contract to continue in force, he must, within fifteen days of the receipt of the notice, pay to the Insurer an additional premium, and in default of such payment, the contract is no longer in force and the Insurer shall return the unearned portion, if any, of the premium paid.

TERMINATION - 5

- (1) This contract may be terminated:
 - (a) by the Insurer giving to the Insured fifteen days' notice of termination by registered mail or five days' written notice of termination personally delivered;
 - (b) by the Insured at any time on request.
- (2) Where this contract is terminated by the Insurer
 - (a) the Insurer shall refund the excess of premium actually paid by the Insured over the pro rata premium for the expired time, but in no event shall the pro rata premium for the expired time be deemed to be less than any minimum retained premium specified; and
 - (b) the refund shall accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund shall be made as soon as practicable.
- (3) Where this contract is terminated by the insured, the insurer shall refund, as soon as practicable, the excess of the premium actually paid by the Insured over the short rate premium for the expired time, but in no event shall the short rate premium for expired time be deemed to be less than any minimum retained premium specified.
- (4) The refund may be made by money, postal or express company money order or cheque payable at par.
- (5) The fifteen days mentioned in clause (a) of sub condition (1) of this condition commences to run on the day following the receipt of the registered letter at the post office to which it is addressed.

REQUIREMENTS AFTER LOSS - 6

- (1) Upon the "occurrence" of any loss of or damage to the "insured property", the Insured shall, if the loss or damage is covered by the contract, in addition to observing the requirements of conditions 9, 10 and 11:

 - (ii) stating when and how the loss occurred, and if caused by fire or explosion due to ignition, how the fire or explosion originated, so far as the Insured knows or believes;
 - (iii) stating that the loss did not occur through any willful act or neglect or procurement, means or connivance of the Insured
 - (iv) showing the amount of other insurance and the names of other insurers
 - (v) showing the interest of the Insured and of all others in the property, with particulars of all liens, encumbrances and other charges upon the property;
 - (vi) showing any changes in title, use, occupation, location, possession or exposures of the property since the issue of the contract; (vii) showing the place where the property insured was at the time of loss.
 - (c) if required, give a complete inventory of undamaged property and showing in detail quantities, cost, and actual cash value;
 - (d) if required and if practicable, produce books of account, warehouse receipts and stocks lists, and furnish invoices and other vouchers verified by statutory declaration, and furnish a copy of the written portion of any other contract.
- (2) The evidence furnished under clauses (c) and (d) of sub-paragraph (1) of this condition shall not be considered proofs of loss within the meaning of conditions 12 and 13.

FRAUD - 7

Any fraud or wilfully false statement in a statutory declaration in relation to any of the above particulars vitiates the claim of the person making the declarations.

WHO MAY GIVE NOTICE AND PROOF OF LOSS - 8

Notice of loss may be given by the agent of the Insured named in the contract in case of absence or inability of the Insured to give the notice or make the proof, and such absence or inability being satisfactorily accounted for, or in the like case, or if the Insured refuses to do so, by a person to whom any part of the insurance money is payable.

SALVAGE - 9

- (1) The Insured, in the event of any loss or damage to any property insured under the contract, shall take all reasonable steps to prevent further loss or damage to such property so damaged and to prevent damage to other property insured hereunder including, if necessary, its removal to prevent damage or further damage thereto.
- (2) The Insurer shall contribute pro rata towards any reasonable and proper expenses in connection with steps taken by the Insured and required under sub-paragraph (1) of this condition according to the respective interests of the parties.

ENTRY, CONTROL, ABANDONMENT - 10

After loss or "damage to "insured property"", the Insurer has an immediate right of access and entry by accredited agents sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage, and, after the Insured has secured the property, a further right of access and entry sufficient to enable them to make appraisal or particular estimate of the loss or damage, but the Insurer is not entitled to the control or possession of the "insured property", and without the consent of the Insurer there can be no abandonment to it of "insured property".

APPRAISAL - 11

In the event of disagreement as to the value of the property insured, the property saved or the amount of the loss, those questions shall be determined by appraisal as provided under The Insurance Act before there can be any recovery under this contract whether the right to recover on the contract is disputed or not, and independently of all other questions. There shall be no right to an appraisal until a specific demand therefore is made in writing and until after a proof of loss has been delivered.

WHEN LOSS PAYABLE - 12

The loss is payable within sixty days after completion of the proof of loss, unless the contract provides for a shorter period.

REPLACEMENT - 13

- (1) The Insurer, instead of making payment, may repair, rebuild, or replace the property damaged or lost, giving written notice of its intention so to do, within 30 days after receipt of the proofs of loss;
- (2) In that event the Insurer shall commence to so repair, rebuild, or replace the property within forty-five days after receipt of the proofs of loss, and shall thereafter proceed with all due diligence to the completion thereof.

ACTION - 14

Every action or proceeding against the Insurer for the recovery of any claim under or by virtue of this contract is absolutely barred unless commenced within one year next after the loss or damage occurs.

NOTICE - 15

Any written notice to the Insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the Insurer in the Province. Written notice may be given to the Insured named in the contract by letter personally delivered or by registered mail addressed to the Insured at the latest post office address, of the Insured, as notified to the Insurer. In this condition, the expression "registered" means registered in or outside Canada.

ADDITIONAL CONDITION**WAIVER OF TERM OR CONDITION**

No term or condition of this Policy is deemed to be waived by "Us", in whole or in part, unless the waiver is clearly expressed in writing and signed by a person authorized by "Us", for that purpose. Neither "you" nor "We" will be deemed to have waived any term or condition of this Policy by any act relating to the appraisal of the amount of loss or to the delivery and completion of proofs, or the investigation or adjustment of any claim under this Policy.
